**FYI Notes:**

- The symbol of the **CROSS (✂)** is in remembrance of our deceased Hackers.
- The asterisk (\*) acknowledges relatives who are considered part of the Hackers' Unlimited family even though they may not be golfers.
- The years noted are linked to Hackers named in the far left column.
- Charter members' names have been capitalized.

**Charter members comprise a group of friends who began playing together from the mid - 80's through 1995. Between 1993 and 1995, while under the leadership of the late James Moore and Kenny Price, the golfers organized to become officially known as Hackers Unlimited. In 2008, the name was changed to . . . HACKERS UNLIMITED JAMES MOORE GOLF MEMORIAL in memory of the late James Moore.**
